WELCOME TO EMPIRE EDUCATION GROUP

Dear Future Professional,

Please let me be among the first to welcome you to Empire...and to the fabulous beauty profession.

This catalog is designed to provide you as much information as we can about your course offerings, rules, regulations, and listings of the student services at your disposal. We have made every effort to make this information relevant and understandable in order to answer any questions you might have about your school experience here at Empire. If there are any further questions, your school's Executive Director or any member of our Educational Team will be glad to answer them.

I truly hope that you will work to get the most out of your Empire education. There will be a lot of great educational opportunities available to you in the next few months and I urge you to take full advantage of it. I think you will find our exclusive CLiC curriculum, our advanced audio visuals, and our team of amazing educators to be very helpful to your learning.

I hope you will really focus on your career while you are with us. Remember, while it is important to learn great technical skills...it is even more essential for you to learn about how to communicate with and sell to your future clients...and to work with your team of fellow professionals. If you master those skills, you will find that the "sky is the limit" on your future success.

Finally, I urge you to really get involved with your school's culture. If you participate in the various fundraising, competition, and social events... as well as attend our Future Professional Expo...I think you will really maximize your educational experience. Learning can be really fun...and

helping others through our National Day of Beauty and other charity events can really give you great satisfaction by helping your fellow human beings.

I wish you the best of luck and success in the coming months...and for the rest of your career. I look forward to meeting you in the future and personally welcoming you into the most beautiful profession in the world.

With warmest regards,

MISSION STATEMENT

The mission of Empire Education Group is to provide quality cosmetology career-oriented higher education to a diverse student population. In addition, we incorporate both professional and personal development into our programs to help our students achieve a lifetime of success.

In harmony with its mission, Empire has established the following goals:

- To offer students real-life based programs developed by faculty and staff through regular assessment and consultation with other educators, industry leaders, and potential employers of our students

- To offer day and evening scheduling options to accommodate the distinctive needs of both traditional and nontraditional students

- To assist students in realizing their potential by establishing basic skills assessment and developmental evaluation

- To provide student services that contribute to students' success and achievement

- To provide career development strategies and employment assistance to facilitate students' successful transition to their careers

- To provide highly motivated and qualified graduates to meet the current and projected needs of the employers we serve

The goals of Empire Education Group are simple. We want to teach students the best possible techniques for becoming successful in the cosmetology profession.

For over 75 years, Empire has been providing high-quality cosmetology education. In 1935, the first Empire Beauty School opened in Wilkes-Barre, PA. Over the next few years, Empire grew to over 20 schools in Pennsylvania.

In 2000, Empire acquired Capelli Learning Center in Atlanta, GA. Finding the market to be a good match with Empire's philosophies, the company now operates three schools in Georgia. That same year, Gordon Phillips Schools of Beauty Culture was acquired, giving Empire an expanded presence on the East Coast with additional schools in Pennsylvania, Maryland, and Southern New Jersey.

Over the next 10 years, Empire has expanded through acquisition, partnership, and new location development to establish a presence in 22 states with over 100 locations.

All of Empire's schools have tastefully decorated interiors, spacious classrooms, and modern equipment. The Guest Service Area of each facility is designed so that students acquire practical experience through servicing guests with a complete menu of hair, skin, and nail services. All services are performed by senior-level supervised students. Guests are charged for reasonable cost of materials only.

Empire utilizes the Certified Learning in Cosmetology (CLiC) system, which features many modern education methods including audiovisual aids and competition techniques. Each school houses a complete library of continuing education aids, which include textbooks, e-books, and DVDs. Students receive an education kit, containing equipment designed for use during classroom studies. Special classes covering hair, skin, nails, and makeup techniques, as well as sales and marketing seminars, are incorporated into the curriculum. Top professional educators, hair designers and manufacturers' technical representatives offer demonstration seminars and workshops for our students to keep current with the newest products, equipment, and design trends in the fashion-forward beauty industry.

FINANCIAL ASSISTANCE

There are two types of federal student aid available to Empire Education Group students who qualify:

Grants – financial aid that doesn't have to be repaid (unless, for example, you withdraw from school and owe a refund)

Loans – allow you to borrow money for your education which must be repaid, with interest, back to the Federal Government.

FEDERAL PELL GRANT (PELL)

Pell grants are the foundation of federal student financial assistance to which aid from other federal and nonfederal sources might be added. These grants are generally awarded to undergraduate students and the award amounts can change yearly. The maximum award for the 2011-12 award year is \$5,550. Unlike loans, grants are not repaid unless, for example, you withdraw from school prior to the planned program completion date. All federal grants are awarded to students with financial need. The amount of your Federal Pell Grant depends on your cost of attendance, expected family contribution, enrollment status (full or part-time), and whether you attend for a full academic year or less.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (SEOG)

This type of grant is awarded to undergraduate students with exceptional financial need – those with the lowest Expected Family Contribution (EFC). Federal Pell Grant recipients receive priority for FSEOG awards which range from \$100 to \$300 per award year. The amount of your award will be determined by the school's Financial Assistance Office.

WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

Student loans, unlike grants, are borrowed money (monies) that must be repaid with interest. Loans made through this program are referred to as Direct Loans. Eligible students and parents borrow directly from the U.S. Department of Education. There are three types of loans in the program:

SUBSIDIZED STAFFORD LOAN

A student can borrow this type of loan to cover some or all of their school expenses. The U.S. Department of Education pays the interest while you're in school at least half-time and for the first six months after you leave school (grace period). The amount of the loan cannot exceed a student's financial need. The fixed interest rate for 2011-2012 is 3.4 percent.

UNSUBSIDIZED STAFFORD LOAN

A student can borrow this type of loan to cover some or all of their school expenses. The U.S. Department of Education does not pay interest on unsubsidized loans. A student is responsible for paying the interest that accrues on the loan from the time the loan is disbursed until it's paid in full.

The fixed interest rate of 6.8 percent can be paid while attending school, during a period of deferment or forbearance, or it can be accrued and the interest added to the principle amount of the loan.

PLUS LOANS

Parents of dependent students can borrow from the PLUS Loan program. The terms and conditions of this type of loan include a requirement that the applicant have a favorable credit history, a repayment period that begins on the date of the last disbursement of the loan, and a fixed interest rate of 7.9 percent for the Direct Loan.

VETERANS' EDUCATION BENEFITS

Some Empire Education Groups programs are approved for veteran's educational benefits for veterans, eligible dependents of deceased or disabled veterans, and active status National Guard and Reserve personnel. Any student interested in this type of benefit must verify with the school representative that the school is eligible for Benefits.

ACE GRANT* **

Prospective students should request information, an application, and salon assessment for the Ace Grant Program from the Beauty and Barber Supply Institute by calling (800) 468-2272. Ace Grant application, salon assessment, and proof of high school graduate or GED should be sent to your EEG school of interest. The Ace Grant organization will formally inform the student of the award.

*Subject to a Financial Assistance package reduction based on any additional funding sources.

**Any institutional aid will be applied to the student account when the student attends 750 clock hours of the first academic year.

GLORIA SIDELL NATIONAL EDUCATOR SCHOLARSHIP

Any student enrolled in Empire Education Group's Educator of Cosmetology Program is eligible to apply for a Gloria Sidell National Educator Scholarship. Students who have completed EEG's Cosmetology Program must have an application for State board license on file, have attendance of 75% or above and satisfactory academic progress of 75% or above, have a recommendation from an instructor, and complete an interview with the Executive Director. Students who did not complete EEG's Cosmetology Program must have a current Cosmetology license, have attendance of 75% or above (if available) and satisfactory academic progress of 75% or above, complete an interview with the School Director and have a high school diploma or GED. All students need to apply and submit any required documentation prior to, or at the time of, enrolling.

EMPIRE GIVES BACK COSMETOLOGY EDUCATIONAL ENDOWMENT PROGRAM

Prospective students may apply for the Empire Gives Back Endowment if they are (were) a resident of a local shelter within the past 6 months from date of enrollment (confirmed by the Facility Representative, Facility Supervisor or Individual Counselor) and a first time cosmetology student. The student must meet all admissions requirements. One endowment is awarded per school per year.

EMPIRE KIDS PEACE EDUCATIONAL ENDOWMENT

Prospective students may apply for the Empire Gives Back Endowment if they are (were) a resident of a Kid's Peace Facility within the past 6 months from date of enrollment (confirmed by the Kid's Peace Facility Representative, Facility Supervisor or Individual Counselor) and a first time cosmetology student. The student must meet all admissions requirements. The Empire Kids Peace Educational Endowment may be awarded no more than five times in Empire Education Group per year.

FUTURE SALON PROFESSIONAL SCHOLARSHIP

The Future Salon Professional Scholarship was created by Regis Corporation to recognize African American future professionals in the cosmetology industry. Enrolled Non Pell Eligible African American students applying for the grant must meet all Empire Education Group admissions requirements. The student will submit an application form to the Empire Education Group review committee. Students will be evaluated on the basis of their application and financial need. The Future Salon Professional Scholarship may be awarded for up to \$1,000 no more than 45 times per year.

NOTE: In order for a student to continue financial assistance eligibility, a student must maintain satisfactory progress. (Refer to the Satisfactory Progress Policy). Any student not maintaining satisfactory progress will be ineligible to receive future disbursements of financial assistance. In order for the student to have financial assistance reinstated, the student's financial assistance and Empire account, along with the maximum time frame, will be evaluated to determine the student's ability to complete the program within the recommended scheduled allotments. When the student has met both the academic and attendance requirements, the student will be removed from the Unsatisfactory Progress status and financial assistance eligibility will be reinstated for the remaining period of time in the program. A student must complete the program of study in a period of time not to exceed those outlined in the following schedules or maximum time frame. School holidays will not be considered in the calculation of cumulative attendance. Course incompletes and noncredit remedial courses have no effect on satisfactory progress standards.

Institutions that enter into an agreement with a potential student, student, or parent of a student regarding a Title IV or HEA loan are required to inform the student or parent that the loan will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders, and institutions determined to be authorized users of the data system.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

Grading Procedure

Theory (lessons in review, self- tests, quizzes, tests and examinations)

Practical Work (on mannequins)

Student Salon/ Clinic (work on Customers and Models)

Are graded on the following criteria:

Grading Scale

94%-100%	Excellent	A
89%-93%	Good	B
80%-88%	Average	C
75%-79%	Fair	D
BELOW 75%	Failure	F

NOTE: Individual lessons and examinations can be retaken if the grade falls below 75% In this case the second score will be averaged with the first score. In the case of a failed curriculum, the second grade will be the grade of record.

Standards of Satisfactory Progress

SAP is a requirement for all students enrolled in the Cosmetology- Hairstyling, Nail Technology, Esthetics, and Cosmetology Educator Training programs. Written notice of SAP standing will be provided to students at the time of evaluation. Copies of evaluations, as well as appeal results, will be kept in the student's file. Students that withdraw and re-enroll will return under the same SAP status as when they left, regardless of how long he/she has been out.

In order to be meeting SAP students must maintain specified grade levels. They must also proceed through the course at a pace leading to completion in the maximum time frame as defined below*. SAP is evaluated at the scheduled mid-point of a program for programs of one academic year or less. Evaluations are at the scheduled end of each payment period (every 450 scheduled clock hours or 15 scheduled credits) per academic year for all other programs. If a subsequent academic year is more than 450 hours or 15 credits and less than 900 hours or 30 credits, payment periods are equal to one half of that academic year. If a subsequent academic year is 450 hours or less then it is considered one payment period. SAP evaluations are always concurrent with the scheduled end of a payment period.

In clock hour programs an academic year consists of 900 clock hours over a period of not less than 26 weeks. In credit hours or credit programs, an academic year is the number of weeks it takes for a student to attempt completion of 30 credits. The number of weeks varies according to schedule of attendance but must be at least 30 weeks.

In clock hour programs students who do not meet academic requirements (75% cumulative grade average) or attendance requirements (75% cumulative attendance average) as of the evaluation will be considered not making satisfactory progress. They may lose eligibility for financial aid from Title IV HEA program funds, and may be subject to termination from the program.

In programs measured in credits students who do not meet the academic (75% cumulative grade average) or cumulative completion of at least 75% of the credits attempted as of the evaluation will be considered not making SAP. They may lose eligibility for financial aid from Title IV HEA program funds, and may be subject to termination from the program.

School holidays are considered in the calculation of cumulative attendance. Course incompletes and noncredit remedial courses are not applicable and have no effect on SAP standards. Clock hours or credits accepted from another institution toward the student's educational program are counted as attempted and completed.

Financial Aid Warning Status

Students who are evaluated at the end of a payment period and fail to meet SAP are automatically placed on financial aid warning status. They may continue to receive assistance under the Title IV HEA programs for one payment period. Financial aid warning status may be assigned without an appeal or other action by the student. If the student does not achieve SAP by the end of that payment period eligibility for Title IV program funds will cease. A student may appeal and if successful may be placed on Financial Aid Probation.

Financial Aid Probation

The institution may place a student on financial aid probation and may disburse Title IV, HEA program funds for the subsequent payment period. All the following conditions must be met,

- The student must appeal the determination that they are not making satisfactory progress.
- The institution must determine that the student should be able to make satisfactory progress during the subsequent payment period and meet the institution's SAP standards at the end of that payment period.

c. A student must have a basis to file an appeal. Acceptable reasons might include the death of a relative, an injury or illness of the student, or other special circumstances. The student must explain what caused the failure to meet the standards. They must also explain what has changed in their situation that will allow them to demonstrate SAP at the end of the next payment period. The student must submit all information relating to the appeal in writing within 10 days of being notified of not making SAP

d. If the student's appeal is approved and he/she meets the SAP requirements, by the end of the probationary period, they will be removed from probation and will be considered making SAP. If the student does not meet or exceed SAP by the end of the probationary period, they will be considered not making SAP. This will result in loss of eligibility for title IV HEA program funds. The student may also be terminated from the program. Students meeting the minimum requirement at any evaluation are considered to be making SAP until the next scheduled evaluation. .

*MAXIMUM TIME FRAME

Maximum time frame for students in clock hour programs is 133% of the time it would take to complete the scheduled hours in the program. The maximum time frame for students in programs measured in credits is 133% of the time it would take to attempt all the credits in the program. Time frames are based on schedule of attendance. For example, if a student's schedule would allow for completion in 48 weeks with no absence, the maximum time frame for that student would be 133% of 48 weeks or 64 weeks.

If a student must attend additional time beyond maximum time frame due to poor attendance, or to complete graduation requirements, the student's Enrollment Agreement will terminate. The School may have any student whose contract terminated execute a new Agreement if the Student is readmitted to the Program. The Student shall be required to pay the current charges per Program hour or credit in effect at the time the new Agreement is executed for each Program hour or credit that the Student must complete. A Cumulative Grade Average of 75% must be maintained in order to meet graduation requirements.

A student seeking reinstatement after termination caused by lack of SAP or official interruption must first meet with a School Executive Director. The Director will determine if the student is eligible to re-enroll. If a student applies for reinstatement, he/she must document the ability to successfully complete the program and certify that the causes of previous difficulties have been rectified. Students who ceased attendance while not making SAP will return as not making SAP. They will be allowed to continue their education but are not eligible for title IV program funds unless they are able to re-establish SAP.

TRANSFER/TRANSCRIPTS

Empire has established an Articulation Agreement which allows any Empire student making Satisfactory Progress to transfer from one Empire owned school to another Empire owned school. A student may transfer hours upon completion of a practical examination that will be given in conjunction with mock State Boards. Proficiency examinations will be used to determine the appropriate entry point into the curriculum and the hours that will be accepted.

If an Empire student wants to move to another Empire owned school that is recognized by the U.S. Department of Education and the school's accrediting body and is an additional location of the school the student is presently attending, he/she may transfer to the additional location. However, if the student is wishing to transfer from one main school to another main school, the student must withdraw from their present school, and then enroll at the new school. A refund calculation will be completed by the school from which they are leaving and the student may need to re-apply for Title IV funding at the new school. The student's current Satisfactory Progress standing follows through to his/her new school when the student is a transfer from the main school to a branch. Empire Education Group charges a fee for educational-transcript or hour-transfer services. Tuition and other fees will be charged based upon the hours and equipment needed.

Transferability of credit from Empire Beauty School to a non-Empire owned school is at the Discretion the Accepting Institution. It is the student's responsibility to confirm whether or not it credits will be accepted by another institution of the student's choice.

MAKE UP WORK

Make up work is associated with any missed or failed assignments. All practical and lab work should be made up following an absence. Make up work can only be completed on Tuesday, Wednesday, and Thursday evenings from 4:30 pm to 5:30 pm and Saturdays.

The student's responsibility is to make sure he/she has obtained all notes and assignments. Once the final curriculum grade is submitted, the student has one (1) week to complete any make up work, provided that the student's attendance is at least 50%. If the student's attendance is less than 50% then the student must re-take the module to receive a grade.

Students who are absent on the day of a scheduled theory test will only be permitted to make up any of the following if there is an approved excused absence:

- Mini Evaluation
- Written Final
- Practical Final
- State Law Written Final
- State Board Theory Final

If there is no approved excused absence, the student will not be allowed to make up any of the above mentioned items and will receive a zero.

TRANSFER STUDENTS

Students who transfer into an Empire Education Group school from another school system will be treated as a new Student in terms of making satisfactory academic progress.

GROUND FOR DISMISSAL/SUSPENSION

The School reserves the right to dismiss/suspend a student for any reason, including but not limited to the following: failure to attend classes regularly; refusal to complete assigned classes or Student Salon work; breach of school rules and regulations; falsification of school records; cheating; conduct or conditions that pose a direct, adverse threat (including bullying) to other students, guests or employees of Empire Education Group; or failure to make required cash payments. Intentional destruction of school property, destruction of other students' or staff members' property, physical violence and threats of violence can mean immediate dismissal/suspension without previous warning. Students are responsible for their own education equipment and personal belongings that may have been left in the School. These items must be removed by the student from the School's premises within 30 days from the date of the dismissal/suspension letter or they will be removed by the School and disposed of accordingly. Any student who is absent for fourteen (14) consecutive calendar days will be terminated.

RETURN OF TITLE IV FUNDS/SCHOOL REFUND POLICY

1. If the student is not accepted for admission to the selected Program as specified in the Enrollment Agreement; or the student (or the student's parent or guardian if the student is under the legal age to enter into the Enrollment Agreement) provides written or verbal notification canceling Student's enrollment within seven (7) calendar days after Student executes the Agreement, the School will provide Student with a full refund of all monies paid, including any Registration fees. This policy applies regardless of whether Student starts actual attendance during such seven (7) calendar day period. The postmark on the written notification will determine the cancellation date, or the date the notification is hand delivered to the Executive Director.
2. If Student (or Student's parent or guardian if Student is under the legal age to enter into this Agreement) provides written or verbal notification canceling Student's enrollment more than seven (7) calendar days after Student signs this Agreement, but before student starts actual class attendance, the School will provide Student with a full refund of all monies paid (including the tuition fees) less the \$100.00 Registration Fee.
3. If Student enrolls with the School and starts actual class attendance and Student either withdraws from the selected Program or the School dismisses Student from the selected Program for a violation of the School's Rules and Regulations, this may result in a return of Federal Student Financial Assistance (Title IV Funds).

4. Return of Title IV Funds and Refund Policy

The law specifies how Empire Education Group must determine the amount of Title IV Program Funds that you can earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Stafford Loans, Plus Loans and Federal Supplemental Educational Opportunity Grants (FSEOG).

When you withdraw during a payment period, if the amount of Title IV program funds that you have earned up to that point is received on your behalf less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the School must return the excess funds.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of your payment period, you earned 30% of assistance that you were originally scheduled to receive. Once you have completed more than 60% of the payment period, you earn all the assistance that you were scheduled to receive.

If you did not receive all the funds that you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, you may choose to decline the loan funds so that you do not incur additional debt. Empire Education Group may automatically use all or a portion of your post-withdrawal disbursement (including loan funds, if you accept them) for tuition and fees charges. It is in your best interest to allow the School to keep the funds in order to reduce your debt to the School.

Because of other eligibility requirements, there are some Title IV program funds that you were scheduled to receive that you cannot earn once you withdraw. For example, if you are a first-time, first-year undergraduate Student and you have not completed the first 30 days of your program before you withdraw, you may not earn any Direct Stafford Loan Funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return the portion of excess equal to the lesser of

1. Your institutional charges multiplied by the unearned percentage of your fund, or
2. The entire amount of excess funds.

The School must return this amount even if it didn't keep this amount of your Title IV program funds.

If the School is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The amount of a grant overpayment that you must repay is half of the unearned amount. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirement for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the School to cover unpaid institutional charges. Empire Education Group may also charge you for any Title IV program funds that the School was required to return. Empire Education Group's refund policy is also printed on your Enrollment Agreement. Also printed in this catalog are the requirements and procedures for officially withdrawing from school.

If you have any questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID. POLICY AGAINST HARASSMENT

Empire Education Group firmly believes that each individual has the right to study and work in an environment that promotes equal opportunities for all and prohibits discrimination, including any form of harassment. Therefore, Empire Education Group has developed a "Policy Against Harassment" that is distributed at the time of enrollment. The Policy provides a means by which individuals can bring any violations of the Policy to Empire Education Group's attention. It also includes guidelines for the investigation of complaints and enforcement of the Policy. Please address any questions regarding the Policy to your Executive Director.

COMPLAINT PROCEDURE GUIDELINES

1. A Student, teacher or interested party may file a complaint against the School; however, the complaint should be in writing to the Executive Director and should outline the allegations or nature of the complaint.

2. The Executive Director will meet with the complainant within 10 calendar days of receipt of the written complaint. If after careful evaluation, the problem cannot be solved through discussion, the complaint will be referred to the School's Regional Director.

3. The Regional Director will respond within twenty-one (21) calendar days of receipt of the complaint and review the allegations.

If more information from the complainant is needed, a letter will be submitted outlining the additional information required.

If no further information is needed the complaint committee will act on the allegations and a letter be sent to the complainant within fifteen (15) calendar days, stating the steps taken to correct the problem, or information to show that the allegations were not warranted or based on fact.

4. If the complainant wishes to pursue a matter, a complaint form is available through the Schools' accrediting agency. Empire Education Group's accrediting agency requires that the complainant attempt to resolve any issues through the School's complaint process prior to filing a complaint with the School's accrediting agency. This procedure does not in any way limit a Student's right to exercise his or her legally protected rights.
