history

For more than 80 years, Empire Beauty School has been providing quality cosmetology education for future professionals. In 1935, the first Empire Beauty School opened in Wilkes-Barre, PA, growing to more than 20 schools in Pennsylvania within a few years.

In 2000, Empire Beauty School acquired Capelli Learning Center in Atlanta, GA. Finding the market to be a good match with Empire Beauty School’s philosophies, the company now operates 7 schools in Georgia. That same year Gordon Phillips Schools of Beauty Culture was acquired, giving Empire Beauty School an expanded presence on the East Coast with additional schools in Pennsylvania, Maryland, and Southern New Jersey.

Over the next 10 years, Empire Beauty School expanded through acquisitions, partnerships, and new location development. Today there are 110 Empire Beauty Schools in 21 states.

All of Empire Beauty Schools have tastefully decorated interiors, spacious classrooms, and modern equipment. The Student Salon area of each facility is designed so that students acquire practical experience through servicing guests with a complete menu of hair, skin, and nail services. All services are performed by senior-level supervised students.

Each school houses a complete library of continuing education aids, which include textbooks, e-books, and DVD’s. Students receive an education kit, containing equipment designed for use during classroom studies. Special classes covering hair, skin, nails, and makeup techniques as well as sales and marketing seminars, are incorporated into the curriculum. Top professional educators, hair designers and manufacturers’ technical representatives offer demonstration seminars and workshops for our students to keep current with the newest products, equipment, and design trends in the fashion-forward beauty industry.

NORMAL TIME TO COMPLETE

Students should have a reasonable expectation of the time it should take to complete a program in order to plan and budget accordingly. Program lengths for full time and part time schedules are stated in weeks and include estimated days the school is closed for holidays, educator training, special events, inclement weather and a limited number of days scheduled to allow students to make up missed work as necessary for state licensing purposes.

When calculating and disclosing normal time to complete and On Time Completion Rates, the number of days scheduled to make up work is limited to 10% of scheduled hours. For example, if a student is scheduled to attend class 6 hours per day and is enrolled in a 60 credit (1800 Clock Hour) program, the number of days scheduled to make up work would be determined by dividing 180 (10% of the hours in the program) by 6 (number of hours scheduled per day), or 30 days.

Students are permitted to make up additional work in order to graduate, as long as they do not exceed the maximum time frame as described in the school’s satisfactory progress policy, but they would not be counted as graduating within normal time for purposes of the calculation and disclosure of On Time Completion Rates in Addendum B to the catalog.

FINANCIAL INFORMATION

FINANCIAL ASSISTANCE
There are two types of federal student aid available to Empire Beauty School students who qualify:

1) **Grants** – financial aid that doesn’t have to be repaid (unless, for example, you withdraw from school and owe a refund).

2) **Loans** – allow you to borrow money for your education which must be repaid, with interest, back to the Federal Government.

FEDERAL PELL GRANT (PELL)
Pell grants are the foundation of federal student financial assistance to which aid from other federal and non-federal sources might be added. These grants are generally awarded to undergraduate students and the award amounts can change yearly. The maximum award for the 2014-2015 award year is $5730.00. Unlike loans, grants are not repaid unless, for example, you withdraw from school prior to the planned program completion date. All federal grants are awarded to students with financial need. The amount of your Federal Pell Grant depends on your cost of attendance, expected family contribution, enrollment status (full or part-time), and whether you attend for a full academic year or less.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (SEOG)
This type of grant is awarded to undergraduate students with exceptional financial need – those with the lowest Expected Family Contribution (EFC). Federal Pell Grant recipients receive priority for FSEOG awards which range from $100 to $300 per award year. The amount of your award will be determined by the school’s Financial Assistance Office.

WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM
Student loans, unlike grants, are borrowed money (monies) that must be repaid with interest. Loans made through this program are referred to as Direct Loans. Eligible students and parents borrow directly from the U.S. Department of Education.

There are three types of loans in the program:

1) **Subsidized Stafford Loan** – A student can borrow this type of loan to cover some or all of their school expenses. The U.S. Department of Education pays the interest while you’re in school at least half-time. The amount of the loan cannot exceed a student’s financial need. The fixed interest rate for 2014-2015 is 4.66 percent.

2) **Unsubsidized Stafford Loan** – A student can borrow this type of loan to cover some or all of their school expenses. The U.S. Department of Education does not pay interest on unsubsidized loans. A student is responsible for paying the interest that accrues on the loan from the time the loan is disbursed until it’s paid in full. The fixed interest rate of 4.66 percent can be paid while attending school, during a period of deferment or forbearance, or it can be accrued and the interest added to the principle amount of the loan.

3) **PLUS Loans** – Parents of dependent students can borrow from the PLUS Loan program. The terms and conditions of this type of loan include a requirement that the applicant have a favorable credit history, a repayment period that begins on the date of the last disbursement of the loan, and a fixed interest rate of 7.21 percent for the Direct Loan.

VETERANS’ EDUCATION BENEFITS
Some Empire Beauty Schools are approved for veteran’s educational benefits for veterans, eligible dependents of deceased or disabled veterans, and active status National Guard and Reserve personnel. Any student interested in this type of benefit must verify with the school representative that the school is eligible for Benefits.

Any student eligible to receive VA benefits must attend every scheduled hour. Veteran’s benefits cannot be extended beyond the total scheduled hours for the program.

Any student who attends less than their scheduled hours may lose their entitlement.

ACE GRANT**/**
Prospective students should request information, an application, and salon assessment for the Ace Grant Program from the Executive Director. Ace Grant application, salon assessment, and proof of high school graduate or GED should be sent to your Empire Beauty School of interest.

*Subject to a Financial Assistance package reduction based on any additional funding sources.

**Any institutional aid will be applied to the student account when the student attends 750 clock hours of the first academic year.
EMPIRE BEAUTY SCHOOL’S NATIONAL EDUCATOR SCHOLARSHIP
Prospective students planning to enroll into the Educator in Training Program are eligible to apply for the National Educator Scholarship. This scholarship amount varies, but may cover up to and including the cost of the full tuition (not including the kit). Scholarship application and required documentation must be submitted prior to or at the time of enrollment. Scholarship requirements include: minimum satisfactory progress of 75% in attendance and academics, completion of an interview with the Executive Director and submission of a recommendation letter from an Educator describing the applicant’s qualifications. In addition, applicants must meet state board requirements prior to enrollment.

EMPIRE BEAUTY SCHOOL GIVES BACK COSMETOLOGY EDUCATIONAL ENDOWMENT PROGRAM
Prospective students may apply for the Empire Beauty School Gives Back Endowment if they are (were) a resident of a local shelter within the past 6 months from date of enrollment (confirmed by the Facility Representative, Facility Supervisor or Individual Counselor) and a first time cosmetology student. The student must meet all admissions requirements. One endowment is awarded per school per year.

EMPIRE BEAUTY SCHOOL KIDS PEACE EDUCATIONAL ENDOWMENT
Prospective students may apply for the Empire Beauty School Gives Back Endowment if they are (were) a resident of a Kid’s Peace Facility within the past 6 months from date of enrollment (confirmed by the Kid’s Peace Facility Representative, Facility Supervisor or Individual Counselor) and a first time cosmetology student. The student must meet all admissions requirements. The Empire Kids Peace Educational Endowment may be awarded no more than five times in the Empire Beauty Schools per year.

GOOD ATTENDANCE SCHOLARSHIP
For students enrolling on August 18, 2014 and beyond, students who complete the Cosmetology program with a cumulative attendance percentage of at least 85% will be awarded a $500 scholarship. Students who complete the Cosmetology program with at least a 90% cumulative attendance percentage will be awarded a $1000 scholarship.

HIGH SCHOOL SCHOLARSHIP
Any high school senior enrolled in Empire Beauty School’s full Cosmetology program at select locations is eligible to apply for Empire Beauty School funded high school scholarships. Annually, 1 scholarship is available per select location in the amount of $1000. Candidates must follow Empire Beauty School’s specified application process. Applicants are evaluated and selected by Empire’s scholarship review board. The deadline for applications are May 1st of the students’ senior year. Award amounts and any deadline extensions, if applicable are at the discretion of Empire Education Group. *Student may not be a child of an Empire Beauty School employee.

NOTE: In order for a student to continue financial assistance eligibility, a student must maintain satisfactory progress. (Refer to the Satisfactory Academic Progress Policy). Any student not maintaining satisfactory academic progress will be ineligible to receive future disbursements of financial assistance. In order for the student to have financial assistance reinstated, the student’s financial assistance and Empire Beauty School account, along with the maximum time frame, will be evaluated to determine the student’s ability to complete the program within the recommended scheduled allotments. When the student has met both the academic and attendance requirements, the student will be removed from the Unsatisfactory Progress status and financial assistance eligibility will be reinstated for the remaining period of time in the program. A student must complete the program of study in a period of time not to exceed those outlined in the following schedules or maximum time frame. School holidays will not be considered in the calculation of cumulative attendance. Course incompletes and noncredit remedial courses have no effect on satisfactory progress standards.

Institutions that enter into an agreement with a potential student, student, or parent of a student regarding a Title IV or HEA loan are required to inform the student or parent that the loan will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders, and institutions determined to be authorized users of the data system.
GRADING PROCEDURE
The goal of an assessment is to measure competency. Ample practice and feedback will be given prior to any assessment. Students will be periodically evaluated based upon performance and attendance.

Students take a predetermined number of Theory and/or Practical assessments per module. Work is graded using the following grading scale:

**Grading Scale**
- A – 93 – 100
- B – 85 – 92
- C – 75 – 84
- D – 70 – 74
- F – Below 70

**NOTE:** In the case of a failure, the student can retake the assessment; however, the second grade will be recorded.

STANDARDS OF SATISFACTORY ACADEMIC PROGRESS
SAP is a requirement for all students enrolled in the Cosmetology, Nail Technology, and Esthetics programs (as applicable to school location).

Written notice of SAP standing will be provided to students at the time of evaluation. Copies of evaluations, as well as appeal results, will be kept in the student’s file. Students that withdraw and re-enroll will return under the same SAP status as when they left, regardless of how long he/she has been out.

In order to be meeting SAP students must maintain specified grade levels. They must also proceed through the course at a pace leading to completion in the maximum time frame as defined below*. SAP is evaluated at the scheduled mid-point of a program for programs of one academic year or less. Evaluations are at the scheduled end of each payment period (every 450 scheduled clock hours) per academic year for all other programs. If a subsequent academic year is more than 450 hours and less than 900 hours, payment periods are equal to one half of that academic year. If a subsequent academic year is 450 hours or less, then it is considered one payment period. SAP evaluations are always concurrent with the scheduled end of a payment period. An academic year consists of 900 clock hours over a period of not less than 26 weeks.

Students who do not meet academic requirements (75% cumulative grade average) or attendance requirements (75% cumulative attendance average) as of the evaluation will be considered not making satisfactory progress. They may lose eligibility for financial aid from Title IV HEA program funds, and may be subject to termination from the program.

School holidays are not considered in the calculation of cumulative attendance. Course incompletes and noncredit remedial courses are not applicable and have no effect on SAP standards. Clock hours or credits accepted from another institution toward the student’s educational program are counted as attempted and completed.

A student must meet the academic requirements (75% cumulative grade average) and the attendance requirements (75% cumulative attendance average) to make or re-establish SAP.

FINANCIAL AID WARNING STATUS
Students who are evaluated at the end of a payment period and fail to meet SAP are automatically placed on financial aid warning status. Financial aid warning status may be assigned without an appeal or other action by the student. They may continue to receive assistance under the Title IV HEA programs for one payment period. If the student does not achieve SAP by the end of that payment period, eligibility for Title IV program funds will cease. A student may appeal and if successful may be placed on Financial Aid Probation.
FINANCIAL AID PROBATION

The institution may place a student on financial aid probation and may disburse Title IV, HEA program funds for the subsequent payment period. All the following conditions must be met:

a. The student must appeal the determination that they are not making satisfactory progress.

b. The institution must determine that the student should be able to make satisfactory progress during the subsequent payment period and meet the institution’s SAP standards at the end of that payment period.

c. A student must have a basis to file an appeal. Acceptable reasons might include the death of a relative, an injury or illness of the student, or other special circumstances. The student must document what caused the failure to meet the standards. They must also explain what has changed in their situation that will allow them to demonstrate SAP at the end of the next payment period. The student must submit all information relating to the appeal in writing within 10 days of being notified of not making SAP.

d. If the student’s appeal is approved and he/she meets the SAP requirements, by the end of the probationary period, they will be removed from probation and will be considered making SAP. If the student does not meet or exceed SAP by the end of the probationary period, they will be considered not making SAP. This will result in loss of eligibility for Title IV HEA program funds. The student may also be terminated from the program. Students meeting the minimum requirement at any evaluation are considered to be making SAP until the next scheduled evaluation.

*MAXIMUM TIME FRAME

Maximum time frame for students is 133% of the time it would take to complete the scheduled hours in the program. Maximum time frames are based on schedules of attendance. For example, if a student’s schedule would allow for completion in 48 weeks with no absence, the maximum time frame for that student would be 133% of 48 weeks or 64 weeks.

If a student must attend additional time beyond maximum time frame due to poor attendance, or to complete graduation requirements, the student’s Enrollment Agreement will terminate. The School may have any student whose contract terminated execute a new Agreement if the Student is readmitted to the Program. The Student shall be required to pay the current charges per Program hour in effect at the time the new Agreement is executed for each Program hour that the Student must complete. A Cumulative Grade Average of 75% must be maintained in order to meet graduation requirements.

A student seeking reinstatement after termination caused by lack of SAP or official interruption must first meet with a School Executive Director. The Director will determine if the student is eligible to re-enroll. If a student applies for reinstatement, he/she must document the ability to successfully complete the program and certify that the causes of previous difficulties have been rectified. Students who ceased attendance while not making SAP will return as not making SAP. They will be allowed to continue their education but are not eligible for Title IV program funds unless they are able to re-establish SAP.

CAREER PLACEMENT ASSISTANCE
Empire Beauty School Placement Assistance strives to assist every graduate in obtaining a career-related position suited to his/her needs and desires. A file of locally available positions in the cosmetology industry is maintained at each location.

Career guidance is available. Contact the Executive Director for more information.

Regulations prohibit any school, college or institution of higher learning from guaranteeing placement as an inducement to enter school.

ADDITIONAL STUDENT SERVICES
Empire Beauty School recognizes that balancing the demands of school, family and work can be overwhelming. Often students experience stress and tension while juggling these demands. The Executive Director will give students access to resources and support, allowing them to feel that their school is determined to give them as many tools as possible to cope with challenges.

GRADUATION REQUIREMENTS
In order to graduate and receive a diploma, students must meet the following requirements:
- Complete the required hours and credits of training
- Complete curriculum requirements
- Fulfill all financial obligations to the school

Upon completion of all course requirements, successful completion of the State Board of Cosmetology Examination is required to obtain a license to practice.

LICENSING REQUIREMENTS
Detailed licensing requirements are provided on a separate handout.
PROFESSIONAL DEVELOPMENT GUIDELINES
Our courses provide essential knowledge and skills to enable you to be a successful professional in the salon and spa industry. Establishing professional work habits is a primary focus in all of our courses. The following is a general description of our Student Guidelines, which outline what we expect from our students and what you can expect from our team. You will receive a complete listing of the School’s policies and procedures at the time of your enrollment.

ATTENDANCE
Upon registration, the student schedules a place in a particular class. Since class size is limited by state law, the School insists upon prompt and regular attendance at all times. The student is required to report to school at the regularly scheduled time. All students must attend according to the schedule on their enrollment agreement. Students unable to attend classes must call in one hour before scheduled start time.

ABSENCE
Student must notify the school about an absence due to illness, death in the immediate family, and/or any other unavoidable circumstance must be reported to the School. Any student who is absent for fourteen (14) consecutive calendar days will be terminated.

TARDINESS
Promptness in reporting to class at the beginning of each session is necessary. Tardiness will be clocked at the nearest ¼ hour.

WEATHER-RELATED SCHOOL CLOSINGS
When there is a serious “weather emergency,” which causes retail businesses and government offices to close, Empire Beauty School will normally cancel or delay classes. A decision to have a late opening or early closing will be made by the Executive Director. Consult your text messages, Facebook, local TV and/or radio stations for school information.

SCHEDULE CHANGES
Under normal circumstances, schedule changes will be granted only to those students achieving the Achievement and Attendance Evaluation standards. There may be circumstances where this will not be applicable due to schedule rotation.

COURSE CANCELLATION POLICY
Should the need arise for the School to cancel or delay the start of a program, the School will work with the student to arrange for a new start date. Should a refund be required, it will be done in accordance with the refund policy contained within this catalog.

TRANSFER / TRANSCRIPTS
Empire allows any Empire student making Satisfactory Progress to transfer from one Empire owned school to another Empire owned school. In addition, Empire Beauty School will allow students transferring in from another beauty school and will accept their hours based on receiving approved school’s state curriculum or transcript. A proficiency examination may be used to determine the appropriate entry point into the curriculum to provide a better educational experience.

If an Empire student wants to move to another Empire owned school that is recognized by the U.S. Department of Education and the School’s accrediting body and is an additional location of the School the student is presently attending, he/she may transfer to the additional location. However, if the student is wishing to transfer from one main school to another main school, the student must withdraw from their present school, and then enroll at the new school. A refund calculation will be completed by the School from which they are leaving and the student may need to re-apply for Title IV funding at the new school. The student’s current satisfactory academic progress standing and Achievement and Attendance Evaluation follows through to his/her new school when the student is a transfer from the main school to an additional location. Tuition and other fees will be charged based upon the hours and equipment needed.

Students who transfer into an Empire Beauty School school from another school system will be treated as a new Student in terms of making satisfactory academic progress.

MAKE-UP WORK
Make-up work is associated with any missed or failed assignments. All theory, practical and lab work should be made up following an absence. Make-up work can only be completed on Tuesday and Thursday evenings from 3:30pm to 5:30pm. Saturdays are available as well for Salon level students only.

The student’s responsibility is to make sure he/she has obtained all notes and assignments. Once the final module grade is submitted, the student has one (1) week to complete any make up work, provided that the student’s attendance is at least 50%. If the student’s attendance is less than 50% then the student must re-take the module to receive a grade.
GRADING PROCEDURE
The goal of an assessment is to measure competency. Students will be periodically evaluated based upon performance and attendance.

Students take a predetermined number of Theory and/or Practical assessments per module. Work is graded using the following grading scale:

A – 93 – 100
B – 85 – 92
C – 75 – 84
D – 70 – 74
F – Below 70

NOTE: In the case of a failure, the student can retake the assessment; however, the second grade will be recorded.

ACHIEVEMENT AND ATTENDANCE EVALUATION (AAE)
Achievement and Attendance Evaluation is the process to determine if the student’s performance and academic standing meets the Empire standard. The student must meet the following Achievement and Attendance Evaluation Standards:

• Must adhere to a 75% average or above Attendance Record and a 75% average or above Academics.

Achievement and Attendance Evaluation reports are distributed to the students every 6 weeks. A detailed explanation of the Academic and Attendance Standards is contained in the Empire Achievement and Attendance Evaluation Policy. At the time of the evaluation the student will be identified as being in one of four statuses:

1) Meeting Standards – The student meets all Achievement and Attendance evaluation standards.

2) Below Standard Status – This represents the first measurement evaluation in which a student’s attendance and/or academic average does not meet the minimum requirements. The student has a right to appeal during the Below Standard Status. If the appeal is denied, the student remains Below Standard until the next AAE evaluation. If the student fails to meet the minimum requirements for 2 consecutive 6 week cycles, the student is placed in At Risk status.

3) At Risk Status – This represents the second measurement evaluation in which a student’s attendance and/or academic average does not meet the minimum requirements. The student has a right to file an appeal during the At Risk status until the next AAE evaluation. If the student fails to meet the minimum requirements for 3 consecutive 6 week cycles, the student is placed in Academic Dismissal status.

4) Academic Dismissal – The student may be dismissed from the school. Please refer to the AAE Academic Dismissal Appeal below. The school staff will meet with students who are in Below Standards or At Risk Status to review their status, advise, and create an academic plan to meet AAE standards. The staff will offer the students the opportunity to file an appeal and follow the appeals process if applicable.

AAE ACADEMIC DISMISSAL APPEAL
A student may file an appeal when AAE Academic Dismissal is reached. The appeal must be submitted within 10 days of the date on the status notification letter. Student continues to attend until an Appeal decision is rendered. Students must be able to meet AAE standards of 75% attendance and 75% academic average by the next AAE evaluation. An educational plan to include attendance and academic performance for the remainder of the student’s enrollment must be submitted along with copies of advising as it relates to attendance and academics. If Appeal is denied, student must be dismissed from school.

If AAE Academic Dismissal appeal is denied, School staff will meet with students to conduct an Exit Interview and follow procedures for student termination. NOTE: Only one appeal opportunity per student.

PRE-SALON APPEAL
A student can submit an appeal if they failed a Pre-Salon module. A written letter explaining the reason for the appeal that outlines what caused the missed assignments. They must also explain what has changed their situation that will allow them to demonstrate success at the end of the next module.

RECORD RETENTION POLICY
Student records shall be maintained after a student either terminates training or graduates. The school will maintain adequate permanent student records which will include:

• Evidence of compliance with the school’s admissions requirements
• Credit granted for previous experience or training
• Dates of admission start dates and withdrawal or completion dates

WITHDRAWAL
Any student who withdraws from his/her contracted course or fails to complete his/her training will have notice placed in his/her Student File as to progress at the point of withdrawal. A student making Satisfactory Academic Progress at the point of withdrawal may apply for re-enrollment in the school and will be considered to be making satisfactory academic progress and meeting Achievement and Attendance Evaluation (AAE) standards at the point of re-entry; likewise, a student not making Satisfactory Academic Progress at the point of withdrawal may apply for re-enrollment in the school and will not be considered to be making Satisfactory Academic Progress or meeting Achievement and Attendance Evaluation (AAE) standards at the point of re-entry.

WITHDRAWAL POLICY
A Student will be considered as withdrawn when one of the following occurs:

1. The student must “officially” notify the Executive Director, in writing of his/her intent to withdraw.
2. A formal termination (unofficial withdrawal) by the student shall occur no more than 14 consecutive calendar days from the last day of physical attendance.

GROUNDS FOR DISMISSAL / SUSPENSION
The school reserves the right to dismiss / suspend a student for any reason, including but not limited to the following: providing fraudulent information or documentation of requirements for admission or attendance; failure to attend classes regularly; refusal to complete assigned classes or Student Salon work; breach of school rules and regulations; falsification of school records; cheating; conduct or conditions that pose a direct, adverse threat (including bullying) to other students, guests or employees of Empire Beauty School; or failure to make required cash payments. Intentional destruction of school property, destruction of other students’ or staff members’ property, physical violence and threats of violence can mean immediate dismissal / suspension without previous warning. Students are responsible for their own education equipment and personal belongings that may have been left in the School. These items must be removed by the student from the School’s premises within 30 days from the date of the dismissal / suspension letter or they will be removed by the School and disposed of accordingly. Any student who is absent for fourteen (14) consecutive calendar days will be terminated.

POLICY AGAINST HARASSMENT

Therefore, Empire Beauty School has developed a “Policy Against Harassment” that is distributed at the time of enrollment. It also includes guidelines for the investigation of complaints and enforcement of the Policy. Please address any questions regarding the Policy to your Executive Director.

Empire Beauty School will notify the parent or eligible Student of the time, date and place of the hearing. The decision of the hearing will be sent to the parent or eligible Student in writing and will be based solely on the evidence presented in the hearing. If the decision not to amend the record is determined, the parent or eligible Student has the right to place a statement in the student’s file contesting the information in the record.

School staff members and administrators who the School deems to have a “legitimate educational interest” have access to Students’ information as required to perform duties that are specific to their position.

Section 99.37 of FERPA permits Empire Beauty School to disclose, upon request, directory information (Student’s name, address, telephone number, date and place of birth, field of study, dates of attendance and degrees / awards received) without the student’s consent unless the student has otherwise directed Empire Beauty School, in writing.

FERPA permits release of personally identifiable, non-directory information in the connection with a health or safety emergency that presents imminent danger.

STANDARDS OF PROFESSIONALISM

1. All of our schools are smoke-free. Smoking, or use of any electronic smoking devices, is only permitted in designated areas outside of the School; however, Student smokers are required to keep those areas free of any debris caused by smoking.

2. Students are responsible for the cleanliness of their work area and equipment used throughout the day. Sanitation guidelines and cleaning assignments must be complete before, during and after scheduled class, service appointments and Student Salon floor times.

3. Students are required to wear personal protective equipment (e.g., gloves, mask and safety glasses) as specified in the Safety Data Base (SDS).

4. Prior to class start, a Student must notify the School if he/she is ill or unable to attend regularly scheduled class. Late arrivals will be clocked to the nearest 1/4 hour.

5. Each Student is required to hand punch through Time Star upon entering and leaving the School.

6. Students are responsible for their own educational equipment and personal belongings. Be prepared for class and the student Salon floor learning process by having a complete tool kit, required class materials and completed assignments each day.

7. All lockers are the property of Empire Beauty School and are available by assignment for student use. Empire Beauty School reserves the right to open and inspect lockers. A combination lock is provided for use. No outside lock of any type can be used or placed on lockers.

8. The School’s business telephone is not available for personal calls.

9. All electronic devices (cellular phones, pagers, laptops, tablets, PDAs, etc.) must be turned off upon reporting to school. There are times when electronic devices may be used in the classroom for education purposes and will be approved by school staff.

10. As a courtesy to our Students, hair, nail and skin services may be performed at a special rate. See your Educator for approval.

11. Safety and physical demands of the profession:
   a. Maintaining good body posture will eliminate straining your back, legs, and feet.
   b. For people who are extremely sensitive, continuous exposure to cosmetic products may cause an allergic reaction.
   c. Wearing support hosiery and low-heeled shoes provides added support and comfort, thereby preventing or reducing the possibility of varicose veins.

12. Eating or drinking in a classroom or Student Salon is prohibited. Students are permitted to eat in designated areas at the times posted.

13. Students are not to provide cosmetology services at home in exchange for money. Solicitation of Empire Beauty School guests to be serviced in your home is unethical and is grounds for termination.

14. Professional and courteous conduct is expected. Respectful communication with staff, fellow students, and service guests is required. Unnecessary conversation, creating noise, causing discord, abusive language or using racial, sexual, ethnic or religious slurs or references is prohibited and may result in termination from the program.

Students who fail to adhere to the guidelines or disrupt the learning process for others may be subject to disciplinary action, which may include suspension or termination.
STUDENT CODE OF CONDUCT

The Student Code of Conduct is established to help maintain an environment conducive to learning and other educational pursuits. The Code is intended to ensure the enjoyment of students of all proper rights and to protect the Empire Beauty School’s mission, processes, resources, and constituent community. Students, faculty, staff and visitors to campus are expected to follow the Student Code of Conduct and federal and state laws.

The following types of conduct are prohibited and individuals found to have committed such infractions by the procedures set forth in this Code shall be subject to sanctions being imposed including the sanction of suspension or expulsion from the program.

A) Academic Infractions

1. Collaborating, conspiring or cooperating during an examination with any other person by giving or receiving information without authority.
2. Copying or obtaining information from another student’s examination paper.
3. Selling or giving away all or part of an examination.
4. Stealing, buying or otherwise obtaining all or part of an examination.
5. Submitting as one’s own any practical assignment, written work or examination of another person.
6. Substituting for another person or permitting another person to substitute for one’s self to take an examination.

B) Informational Infractions

2. Furnishing false information to Empire Beauty School with the intent to deceive.
3. Providing false identification to duly authorized Empire Beauty School personnel.

E) Other Infractions

1. Failure to comply with a lawful order, direction or request of an Empire Beauty School employee made by the employee in the performance of the employee’s duties.
2. Any conduct not specifically stated herein which adversely affects the educational processes or the rights of members of the community or others.
3. Aiding or inciting others to commit any infraction in this Code.
REFUND POLICY

1. If the student is not accepted for admission to the selected Program as specified in the Enrollment Agreement; or the student (or the student's parent or guardian if the student is under the legal age to enter into the Enrollment Agreement) provides written or verbal notification canceling Student's enrollment within seven (7) calendar days after Student executes the Agreement, the School will provide Student with a full refund of all monies paid, including any Registration fees. This policy applies regardless of whether Student starts actual attendance during such seven (7) calendar day period. The postmark on the written notification will determine the cancellation date, or the date the notification is hand delivered to the Executive Director.

2. If Student (or Student's parent or guardian if Student is under the legal age to enter into this Agreement) provides written or verbal notification canceling Student's enrollment more than seven (7) calendar days after Student signs this Agreement, but before student starts actual class attendance, the School will provide Student with a full refund of all monies paid (including the tuition fees) less the $100.00 Registration Fee.

3. If Student enrolls with the School and starts actual class attendance and Student either withdraws from the selected Program or the School dismisses Student from the selected Program for a violation of the School's Rules and Regulations, this may result in a return of Federal Student Financial Assistance (Title IV Funds).

4. Return of Title IV Funds and Refund Policy. The law specifies how Empire Beauty School must determine the amount of Title IV Program Funds that you can earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Stafford Loans, Plus Loans and Federal Supplemental Educational Opportunity Grants (FSEOG).

When you withdraw during a payment period, if the amount of Title IV program funds that you have earned up to that point is received on your behalf less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the School must return the excess funds.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of your payment period, you earned 30% of assistance that you were originally scheduled to receive. Once you have completed more than 60% of the payment period, you earn all the assistance that you were scheduled to receive. If you did not receive all the funds that you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, you may choose to decline the loan funds so that you do not incur additional debt. Empire Beauty School may automatically use all or a portion of your post-withdrawal disbursement (including loan funds, if you accept them) for tuition and fees charges. It is in your best interest to allow the School to keep the funds in order to reduce your debt to the School. Because of other eligibility requirements, there are some Title IV program funds that you were scheduled to receive that you cannot earn once you withdraw. For example, if you are a first-time, first-year undergraduate Student and you have not completed the first 30 days of your program before you withdraw, you may not earn any Direct Stafford Loan Funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return the portion of excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

The School must return this amount even if it didn't keep this amount of your Title IV program funds.

If the School is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The amount of a grant overpayment that you must repay is half of the unearned
amount. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirement for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the School to cover unpaid institutional charges. Empire Beauty School may also charge you for any Title IV program funds that the School was required to return. Empire Beauty School’s refund policy is also printed on your Enrollment Agreement. Also printed in this catalog are the requirements and procedures for officially withdrawing from school.

If you have any questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID. The center accepts calls from 8am to midnight (EST), seven days a week. TTY users may call 1-800-730-8913. Information is also available on the U.S. Department of Education’s “Financial Aid for Students Home Page” at www.studentaid.ed.gov.

5. Refund Policy: The following Colorado Refund Policy shall apply, after the Return of Title IV Funds calculation has been made, if applicable, to remaining tuition payments once the student has started actual class attendance.

   a. For students who enroll in and begin classes, the following schedule of tuition adjustment is authorized:

b. A student terminating training will be charged based on the hours attempted from the actual starting date to the last date of physical attendance. The policy for the granting of credit for previous training shall not impact the refund policy.

c. The registration fee is non-refundable except as provided on the prior pages.

d. Student supplies fees will not be adjusted unless the student returns the supplies, unused and in their original condition, within twenty (20) calendar days of receipt of the student supplies from the school.

e. If the school is permanently closed or is no longer offering instruction after a student has enrolled, the school will provide the student with a substantially similar course of study at an institution in the same geographical area. The school will provide notice to students if this is necessary, and the new school will not charge students more than the original school’s tuition.

f. If the course is cancelled after a student has enrolled and before course instruction has begun, the school will provide a full refund. The school reserves the right to reschedule, postpone, or cancel classes. If the course is rescheduled, postponed, or cancelled subsequent to a student’s enrollment and before instruction in the course has begun, the school will provide a refund of all monies paid.

g. All monies shall be refunded within thirty (30) days of the student’s official withdrawal by contacting the school that he/she will not be returning, or by unofficial withdrawal by the school, which shall occur no more than (14) consecutive calendar days from the last date of physical attendance.

COMPLAINT PROCEDURE GUIDELINES

1. A Student, teacher or interested party may file a complaint against the School; however, the complaint should be in writing to the Executive Director and should outline the allegations or nature of the complaint.

2. The Executive Director will meet with the complainant within 10 calendar days of receipt of the written complaint. If after careful evaluation, the problem cannot be solved through discussion, the complaint will be referred to the School’s Regional Director.

3. The Regional Director will respond within twenty-one (21) calendar days of receipt of the complaint and review the allegations. If more information from the complainant is needed, a letter will be submitted outlining the additional information required. If no further information is needed the complaint committee will act on the allegations and a letter be sent to the complainant within fifteen (15) calendar days, stating the steps taken to correct the problem, or information to show that the allegations are not warranted or based on fact.

4. If the complainant wishes to pursue a matter, a complaint form is available through the Schools’ accrediting agency. Empire Beauty School’s accrediting agency requires that the complainant attempt to resolve any issues through the School’s complaint process prior to filing a complaint with the School’s accrediting agency. This procedure does not in any way limit a Student’s right to exercise his or her legally protected rights.

3 Additional information related to this program and/or the information provided above

The information contained in this disclosure template is usually different from other retention, completion and placement rates provided to students prior to enrollment. The US Department of Education, National Accrediting Commission of Career Arts and Sciences and some state licensing agencies require that rates be calculated using different formulas, time frames and based on institutional outcomes rather than individual campus and program outcomes. On time graduation rates may be substantially lower than actual completion rates because they only reflect the percentage of graduates who completed within their initial enrollment schedule with above 90% attendance. However, many students successfully complete a program but take longer to graduate because of time missed for family responsibilities, daycare issues, and conflict with employment schedules or simply changing schedules for convenience. Our students are permitted to make up time missed as long as they do not exceed the maximum time frame as stated in our Satisfactory Progress Policy. Additional consumer information, retention rates and student body diversity can be found on the College Navigator web site at www.nces.ed.gov/collegenavigator. All required disclosures commonly referred to as "Student Right to Know" information is provided to every prospective student prior to enrollment. Please note: the programs offered prepare students for the following occupations (if applicable): Hairdressers, Hairstylists, Cosmetologists SOC 39-5012; Skin Care Specialist (Esthetician) SOC 39-5094 & SOC 39-5091; Make-up Artist SOC 39-5091; Manicurist, Pedicurist, Nail Technician SOC 39-5092; Vocational Education Teacher SOC 25-1194.
