There will be a lot of great educational opportunities available to you in the next few months and I urge you to take full advantage of it. I think you will find our exclusive Clic textbooks, and our team of amazing educators teaching with our Empire Methodology to be very helpful to your learning.

The mission of Empire Beauty School is to provide quality cosmetology career-oriented higher education to a diverse student population. In addition, we incorporate both professional and personal development into our programs to help our students achieve a lifetime of success.

In harmony with its mission, Empire Beauty School has established the following goals:

- To offer students real-life based programs developed by faculty and staff through regular assessment and consultation with other educators, industry leaders, and potential employers of our students
- To offer day and evening scheduling options to accommodate the distinctive needs of both traditional and nontraditional students
- To assist students in realizing their potential by establishing basic skills assessment and developmental evaluation
- To provide student services that contribute to students' success and achievement
- To provide career development strategies and employment assistance to facilitate students' successful transition to their careers
- To provide highly motivated and qualified graduates to meet the current and projected needs of the employers we serve

The goals of Empire Beauty School are simple. We want to teach students the best possible salon-centric education and techniques for becoming successful in the cosmetology profession.

For more than 80 years, Empire Beauty School has been providing quality cosmetology education for future professionals. In 1935, the first Empire Beauty School opened in Wilkes-Barre, PA, growing to more than 20 schools in Pennsylvania within a few years.

In 2000, Empire Beauty School acquired Capelli Learning Center in Atlanta, GA. Finding the market to be a good match with Empire Beauty School's philosophies, the company now operates 7 schools in Georgia. That same year Gordon Phillips Schools of Beauty Culture was acquired, giving Empire Beauty School an expanded presence on the East Coast with additional schools in Pennsylvania, Maryland, and Southern New Jersey.

Over the next 10 years, Empire Beauty School expanded through acquisitions, partnerships, and new location development. Today there are Empire Beauty Schools in 21 states.

All of Empire Beauty Schools have tastefully decorated interiors, spacious classrooms, and modern equipment. The Student Salon area of each facility is designed so that students acquire practical experience through servicing guests with a complete menu of hair, skin, and nail services. All services are performed by senior-level supervised students.

Each school houses a complete library of continuing education aids, which include textbooks, e-books, and DVD's. Students receive an education kit, containing equipment designed for use during classroom studies. Special classes covering hair, skin, nails, and makeup techniques as well as sales and marketing seminars, are incorporated into the curriculum. Top professional educators, hair designers and manufacturers' technical representatives offer demonstration seminars and workshops for our students to keep current with the newest products, equipment, and design trends in the fashion-forward beauty industry.

Empire Beauty School includes demonstration and lecture classrooms, a library, a fully equipped Student Salon floor, Student lounge, dispensary, and faculty and administration offices to assist Students in becoming quality professionals capable of meeting the demands of the salon and spa industry. All Empire Beauty Schools meet or exceed the requirements established by our state licensing authorities.

FINANCIAL ASSISTANCE

There are three types of federal Student aid, known as Title IV Funding, available to Students who qualify:

1.) FEDERAL PELL GRANT (PELL)

Pell grants are awarded by the Department of Education to undergraduate students with financial need to help pay for college. The Pell Grant, unlike loans, does not need to be repaid (unless, for example, you withdraw from school and owe a refund). The amount of the Pell grant could change yearly and depends on your Expected Family Contribution (EFC), the cost of attendance, your status of full-time or part-time, and whether you attend for a full academic year or less.

2.) FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG) & EMPIRE FSEOG MATCH

These type of grants are awarded to undergraduate Students with exceptional financial need – those with the lowest Expected Family Contribution (EFC). The amount of the award will be determined by the school's Financial Assistance Office.

3.) WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

Student loans, unlike grants, are borrowed funds that must be repaid with interest. Loans made through this program are referred to as Direct Loans. Eligible Students and parents borrow directly from the U.S. Department of Education.

There are three types of loans in the program:

- **Subsidized Stafford Loan** – A Student can borrow this type of loan to cover some or all of their school expenses. The U.S. Department of Education pays the interest while you're in school at least half-time and during the grace period. The amount of the loan cannot exceed a Student's financial need or the annual loan limit. The fixed interest rate for 2018-2019 is 5.05% .
- **Unsubsidized Stafford Loan** – A Student can borrow this type of loan up to the annual loan limit to cover some or all of their school expenses. The U.S. Department of Education does not pay interest on unsubsidized loans. The Student is responsible for paying the interest that accrues on the loan from the time the loan is disbursed until it's paid in full.
The fixed interest rate of 5.05% can be paid while attending school, during a period of deferment or forbearance, or it can be accrued and the interest added to the principle amount of the loan.
- **PLUS Loans** – Parents of dependent Students can borrow from the PLUS Loan program. The terms and conditions of this type of loan include a requirement that the applicant has a favorable credit history, a repayment period that begins on the date of the last disbursement of the loan, and a fixed interest rate of 7.60%

In order for the Student to have financial assistance reinstated, the Student's financial assistance and Empire Beauty School account, along with the maximum time frame, will be evaluated to determine the Student's ability to complete the program within the recommended scheduled allotments. When the Student has met both the academic and attendance requirements, the Student will be removed from the Unsatisfactory Progress status and financial assistance eligibility will be reinstated for the remaining period of time in the program. A Student must complete the program of study in a period of time not to exceed those outlined in the schedules on page 11 and 12 or maximum time frame. School holidays will not be considered in the calculation of cumulative attendance. Course incompletes and noncredit remedial courses have no effect on satisfactory progress standards.

Institutions that enter into an agreement with a potential Student, an enrolled Student, or parent of a Student regarding a Title IV Loan are required to inform the Student or parent that the loan will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders, and institutions determined to be authorized users of the data system.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

Satisfactory Academic Progress (SAP) is required for all enrolled Students.

REQUIREMENTS

In order to meet SAP, Students must meet the following:

Academic Requirement – 75% Cumulative Grade Average || **Attendance Requirement** – 75% Cumulative Attendance Average

School holidays are not considered in the calculation of cumulative attendance. Course incompletes and noncredit remedial courses are not applicable and have no effect on SAP standards. Clock hours or credits accepted from another institution toward the Student's educational program are counted as attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on contracted hours.

Students meeting the minimum requirement at any evaluation are considered to be making SAP until the next scheduled evaluation.

Students who do not meet academic requirements or attendance requirements as of the evaluation may lose eligibility for financial aid from Title IV program funds, and may be subject to termination from the program.

GRADING PROCEDURE

Students receive a number of theory and practical assessments during each module. Evaluation, feedback and grades are given to the Student for each assessment. Work is graded using the following grading scale:

A – 100-93 || B – 92-85 || C – 84-75 || D – 74-70 || F – Below 70

In case of a failure, the Student will have the option to retake the assessment up to two times. The first passing grade will be recorded. The Enrichments are evaluated on a Pass or Not Passed basis. Satisfactory completion is needed in the following areas: General Safety and Technical Skills.

EVALUATIONS

SAP is evaluated for programs at the end of each payment period based on scheduled hours.

If a subsequent academic year is more than 450 hours and less than 900 hours, payment periods are equal to one half of that academic year. If a subsequent academic year is 450 hours or less, then it is considered one payment period. This also applies to transfer Students. An academic year consists of 900 clock hours over a period of not less than 26 weeks.

Cosmetology // 1250 Hours

Payment Period 1	450 Hours
Payment Period 2	900 Hours
Payment Period 3	1250 Hours

Nail Technology // 210 Hours

Payment Period 1	105 Hours
Payment Period 2	210 Hours

Educator Training // 600 Hours

Payment Period 1	300 Hours
Payment Period 2	600 Hours

Students will be provided written notice of their SAP standing at the time of evaluation. Copies of evaluations and appeal results will be kept in the Student's file. Students that withdraw and re-enroll will return under the same SAP status as when they left, regardless of how long he/she has been out. For Students that re-enroll more than 180 days after their last date of attendance, evaluation periods will be determined based on the new contracted hours. To be considered making SAP or to re-establish SAP the Student must meet both the cumulative Academic and Attendance requirements of 75%. If there is any additional information like a grade change or attendance correction that may have an impact on SAP, the institution will recheck SAP using the new information.

At the time of evaluation a Student will be in one of three statuses:

- 1. Satisfactory** – Requires no action by Student or school. Maintains status until next evaluation.
- 2. Warning** – Not meeting Satisfactory Academic Progress Standards. Requires no action by the Student, aid eligibility is retained until next evaluation.
- 3. Unsatisfactory** – Student has the right to appeal but must do so in writing. If appeal is granted Student will be put on Probation until next evaluation period and is eligible for aid. If appeal is denied or Student does not file a written appeal Student shall be terminated.

WARNING AND UNSATISFACTORY STATUS

Students who fail to meet SAP at the end of a payment period are automatically placed on Warning Status.

Students may continue to receive Title IV assistance for one payment period while on Warning status. If the Student does not achieve SAP by the end of the Warning Status, the Student will be placed on Unsatisfactory Status, and eligibility, if applicable for Title IV program funds, will cease.

A Student has the right to appeal an Unsatisfactory Status. Providing that the following conditions are met, a Student may be placed on probation and allowed to receive Title IV funds for the subsequent payment period:

- Any Student seeking an appeal must do so in writing. Students that do not appeal shall be terminated.
- The institution must determine that the Student should be able to meet the institution's SAP requirements at the end of that payment period.
- The Student must have a basis to file an appeal. Acceptable reasons might include the death of a relative, an injury or illness of the Student, or other special circumstances. The Student must document what caused the failure to meet the standards and must also explain what has changed in their situation that will allow them to demonstrate SAP at the end of the next payment period. The Student must submit all information relating to the appeal in writing within 10 school business days of being notified of being put on Unsatisfactory Status. If the appeal is granted, the Student will remain eligible for Title IV funds during the Probation period.
- If the Student meets the SAP requirements at the end of the probation period, the Student will be removed from probation and will be considered making SAP. If the Student does not meet SAP requirements by the end of the probation period, they will be considered not making SAP and where applicable will lose eligibility for Title IV. The Student shall also be terminated from the program.

A Student seeking reinstatement after termination caused by not meeting SAP or official interruption must first meet with the School Executive Director. The Executive Director will determine if the Student is eligible to re-enroll. If a Student applies for reinstatement, he/she must document the ability to successfully complete the program and certify that the causes of previous difficulties have been rectified. Students who ceased attendance while not making SAP will return as not making SAP. They will be allowed to continue their education but where applicable, are not eligible for Title IV program funds unless they are able to re-establish SAP during a specified period of time.

MAXIMUM TIME FRAME

Maximum time frame for Students is 133% of the Enrollment Period. If, due to attendance or academic problems, a Student must attend additional Program hours beyond the 133% Maximum Program Length in order to complete the Program, the Student's Enrollment Agreement will terminate. In order to file an appeal, the Student must have paid all Program charges in full and have 10% or less of the Program hours remaining to complete. If an appeal is granted, the Student will be charged and must pay \$100 registration fee and execute a new Enrollment Agreement for the remaining hours to complete the Program. If an appeal is denied, the Student will be dismissed from the Program.

Educationally, we created the Educator in Training curriculums, which includes but is not limited to teaching skills as they relate to the pre-salon, salon, salon manager/team leader, while providing education in delivery, methodology, communications, listening skills, personal development and much more. WITHDRAWAL POLICY

A Student will be considered as withdrawn when one of the following occurs:

1. The Student officially notifies Executive Director, of his/her intent to withdraw.
2. A formal termination (unofficial withdraw) by the Student shall occur not more than 14 consecutive calendar days from the last day of physical attendance.
3. The School officially notifies the Student of dismissal from the program.

RETURN OF TITLE IV FUNDS/REFUND POLICY/BUYERS RIGHT TO CANCEL:

1. If the Student is not accepted for admission to the selected Program as specified in the Enrollment Agreement; or the student (or the student's parent or guardian if the student is under the legal age to enter into the Enrollment Agreement) provides written or verbal notification canceling Student's enrollment within seven (7) calendar days after Student executes the Agreement, the School will provide Student with a full refund of all monies paid, including any Registration Fees and Student Supplies Fee; but less the Application Fee paid as indicated in the Tuition and Fee Description in the Enrollment Agreement. This policy applies regardless of whether Student starts actual attendance during such seven (7) calendar day period. The postmark on the written notification will determine the cancellation date, or the date the notification is received by the Executive Director
2. If Student (or Student's parent or guardian if Student is under the legal age to enter into this Agreement) provides written or verbal notification canceling Student's enrollment more than seven (7) calendar days after Student signs this Agreement, but before student starts actual class attendance, the School will provide Student with a full refund of all monies paid (including the tuition fees) less the \$100 Registration and \$25 Application Fee paid.
3. If Student enrolls with the School and starts actual class attendance and Student either withdraws from the selected Program or the School dismisses Student from the selected Program for a violation of the School's Policies, this may result in a return of Federal Student Financial Assistance (Title IV Funds).
4. **Return of Title IV Funds and Refund Policy.** The law specifies how Empire Beauty School must determine the amount of Title IV Program Funds that you can earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Stafford

Loans, Plus Loans and Federal Supplemental Educational Opportunity Grants (FSEOG). Opportunity Grants (FSEOG)

When you withdraw during a payment period, if the amount of Title IV program funds that you have earned up to that point is received on your behalf less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the School must return the excess funds.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of your payment period, you earned 30% of assistance that you were originally scheduled to receive. Once you have completed more than 60% of the payment period, you earn all the assistance that you were scheduled to receive.

If you are due a post-withdrawal disbursement, you may choose to decline loan funds so that you do not incur additional debt. Empire Beauty School may automatically use all or a portion of a post-withdrawal disbursement (including loan funds if eligible) for tuition and fees. If you allow the school to keep the funds it will reduce your debt to the School.

Because of other eligibility requirements, there are some Title IV program funds that you were scheduled to receive that you cannot earn once you withdraw. For example, if you are a first-time, first-year undergraduate Student and you have not completed the first 30 days of your program before you withdraw, you may not earn any Direct Stafford Loan Funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return the portion of excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

The School must return this amount even if it didn't keep this amount of your Title IV program funds.

If the School is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The amount of a grant overpayment that you must repay is half of the unearned amount. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirement for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the

School to cover unpaid institutional charges. Empire Beauty School may also charge you for any Title IV program funds that the School was required to return. Empire Beauty School's refund policy is also printed in the catalog. Also printed in the catalog are the requirements and procedures for officially withdrawing from school.

If you have any questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID. The center accepts calls from 8am to midnight (EST), seven days a week. TTY users may call 1-800-730-8913. Information is also available on the U.S. Department of Education's "Financial Aid for Students Home Page" at www.studentaid.ed.gov.

5. The following Refund Policy is the same or less strict than the relevant State refund policy and shall apply, after the Return of Title IV Funds calculation has been made, if applicable, to remaining tuition payments once the student has started actual class attendance. The following refund policy is for all Students, including persons enrolled under provision of Title 38, United States Code (Veterans).

- a. **Application Fee:** This fee is not refundable.
- b. **Registration Fee:** This fee is not refundable except as provided in paragraph 1, above.
- c. **Student Supplies Fee:** Student Supplies Fee will not be cancelled or adjusted unless Student returns the supplies unused and in their original condition within twenty (20) calendar days from receipt of the student supplies issued by the school on day one. If the Student cancels within 7 days of enrollment, Student Supplies Fee will be fully refunded.

d. Tuition:

PERCENTAGE OF ENROLLMENT TIME TO TOTAL TIME	AMOUNT OF TUITION SCHOOL SHALL RETAIN
.001% to 9.99%	10% Retained
10% to 19.99%	20% Retained
20% to 29.99%	30% Retained
30% to 39.99%	40% Retained
40% to 49.99%	50% Retained
50% and above	100% Retained

6. Enrollment Time means the amount of actual hours completed between the student's first day of attendance in the Program to the last day student attended class. Refunds are calculated based on student's last day of attendance. Total Time means the total hours of instruction for the Program in which the student is enrolled. Any refunds due Student hereunder shall be refunded within thirty (30) days of formal cancellation as defined or formal termination by the School, which shall occur no more than fourteen (14) consecutive calendar days from the last day of physical attendance or the date that the student contacts the institution that he/she will not be returning. School Officials monitor Student attendance every day.

7. Where required all refunds due will first be made to the source that provided funding before any refund will be paid to Student.

8. If the selected Program is cancelled subsequent to Student's enrollment, but before Student started class attendance, the School shall provide Student with a full refund of all monies paid by Student or provide alternative means for the Student's completion of the Program.

9. The Student shall be entitled to a prorated refund of tuition paid if the School permanently closes and no longer offers instruction after Student begins classes.

10. If the School cancels a course and/or program and ceases to offer instruction after the student has enrolled and instruction has begun, the school shall provide a completion of the course and/or program; or provide a pro-rata refund for all students transferring to another school based on the hours accepted by the receiving school.

5. Records of complaints are retained according to the School's record keeping policy.

If a complainant wishes to pursue a matter, a complaint form is available through the Schools' accrediting agency. Empire Beauty School's accrediting agency requires the complainant attempt to resolve any issues through the School's complaint process prior to filing a complaint with the school's accrediting agency. This procedure does not in any way limit a student's right to exercise his or her legally protected rights.

A complaint may also be filed with the school's accrediting or regulatory agency.

TITLE IX OF THE EDUCATION AMENDMENTS OF 1972

Empire is committed to providing a safe educational environment which is free of violence, harassment and discrimination. Therefore, in accordance with Title IX of the Education Amendments of 1972 and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), along with its amendments made pursuant to the Violence Against Women Reauthorization Act of 2013 (VAWA), Empire has adopted strict policies regarding these matters. Students should refer to the Campus Safety and Annual Security Report provided during the admission process for detailed information. Additional copies can be obtained from the Executive Director or when updated Reports are distributed annually.

Additionally, in accordance with our school's obligations under Title IX, Empire will excuse Student absences due to pregnancy or related conditions, as long as the Student's doctor deems the absences to be medically necessary. Students would need to provide the School with written confirmation from the doctor confirming that the absence occurred based on the doctor's medical opinion that the Student should not attend. The doctor will also need to identify the dates which should be excused based on his/her medical determination.

NON DISCRIMINATION POLICY

Empire Beauty School does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities. Questions regarding non-discrimination policies can be referred to your school's Title IX Coordinator or via email at TitleIX@empire.edu.

Additional information can also be obtained by visiting www.empire.edu/TitleIX.

FAMILY EDUCATION RIGHT TO PRIVACY ACT POLICY (FERPA)

In accordance with the Family Education Rights and Privacy Act, it is the policy of Empire Beauty School (the "School") to maintain confidentiality of information entrusted to it by eligible Students, prospective Students or parent / guardian(s) of a dependent minor child. Therefore, prior to each release of information an "Authorization for Release of Information" form must be filled out by the eligible Student for every request of Student information to a third party. Information is released only on the condition that the party to whom the information is disclosed will not disclose the information to any other party without the prior consent of the eligible Student or parent/guardian. An "Authorization for Release of Information" form is not required for Students, prospective Students, or guardian(s) of dependent minor Students wishing to review their own records or for legal or accreditation purposes.

School staff members and administrators who the School deems to have a "legitimate educational interest" have access to Students' information as required to perform duties that are specific to their position. Section 99.37 of FERPA permits the School to disclose, upon request, directory information without the Student's consent unless the Student has otherwise directed the School in writing. Directory information may include Student's name, address, telephone number, date and place of birth, field of study, dates of attendance (meaning a period of time during which a Student attended and not specific daily records of a Student's attendance) and degrees/awards received. FERPA also permits release of personally identifiable, non- directory information in connection with a health or safety emergency that presents imminent danger. In this situation, the School will make the determination to release information based on the totality of the circumstances pertaining to a threat to the health or safety of a Student or other individuals. If the School determines that there is an articulable and significant threat to the health or safety of a Student or other individuals, the School will disclose information to any person whose knowledge of the information is necessary to protect the health or safety of the Student or other individuals. Student or parent/guardian complaints regarding alleged FERPA violations can be filed in writing with the U.S Department of Education's Family Policy Compliance Office.

A Student or parent/guardian of dependent minor Students may review the Student's record by contacting the Executive Director to make an appointment. The Executive Director will be present during the review to provide supervision and interpretation. A Student shall be permitted to review his/her record on file with the School within seven (7) days after the School has received the Student's written request to review his/her records in accordance with the manner set forth in this Catalog or any Supplement to this Catalog. An eligible Student or parent /guardian of a dependent minor Student may seek to amend education records that the Student or parent/guardian believes to be inaccurate, misleading, or otherwise in violation of the Student's privacy rights. The School will make a determination on the Student's request for amendment within 30 days of the request. If the School agrees that the information is inaccurate, misleading or otherwise in violation of the privacy rights of the Student, the School will amend the record accordingly and inform the parent or eligible Student in writing that the record was amended. If the School decides not to amend the record, the Student has a right to a hearing within 30 days of the denial. The School will notify the parent/guardian of a dependent minor or eligible Student of the time, date and place of the hearing. The decision of the hearing will be sent to the parent or eligible Student in writing and will be based solely on the evidence presented in the hearing. If the decision not to amend the record is determined, the parent or eligible Student has the right to place a statement in the Student's file contesting the information in the record..
